Dear Jean:

I would like to take the occasion of your retirement to express appreciation for the contributions you have made to FBIS as Chief, Records Branch and Records Management Officer. I know this has been only the most recent assignment for you in an Agency career spanning more than 38 years. During that time you have held a variety of positions in all directorates and have been consistently praised as a productive, talented, and dedicated employee.

You have been a great asset to FBIS and I know you will be missed by everyone who has known you here and throughout the Agency. I wish you every happiness in this exciting new period of your life.

Director
